

Ocean Blvd Residence

This modern and innovative mirror-polished stainless steel water wall, stands 4 ft. high by 6.5 ft. wide, and is inset into the entry wall of a private residence in Santa Monica, CA. Architecturally integrated with the decor and design of the home in mind, it is installed directly across from a large picture window that overlooks the Pacific Ocean. The water feature's unique vertical striped bar code pattern translates into the word "bada", which means "sea" in Korean.
