

Espelette Beverly Hills Rivulets

Enhancing the lush garden of Espelette restaurant at the Waldorf Astoria Beverly Hills, this graceful water feature exudes a refined, relaxed elegance. Thoughtfully positioned for visibility from multiple vantage points, its sophisticated curved design and cascading rivulets create a timeless yet contemporary focal point. Crafted from copper with a rich bronze patina, the fountain pours 30 delicate streams of water into a recessed pool lined with smooth beach pebbles. Subtle, energy-efficient LED lighting adds a warm glow, further elevating the tranquil ambiance of this exquisite outdoor setting.
